### Denver Employee Benefits Surcharge

Edible Beats is proud to be a local, independent, 100% Employee-Owned business. In the spirit of being an E.S.O.P., all of your gratuities are shared amongst the entirety of our hourly staff (front and back of house).

You will also notice a 5% Denver Employee Benefits Surcharge added to your check. This is not a gratuity. Why? In the spirit of transparency, 100% of this surcharge goes towards the continued support of our teams' benefits (see QR code for full list).

We are endlessly grateful for your support of our employee-owned and independently operated restaurants. ♥
